FREE WEBINAR FOR PARENTS ABOUT MENTAL HEALTH

Summer is the Perfect Time to Address Your Teen's Mental Health Issues

Join us May 24th at 8pm ET on Zoom

Families have more time to focus on wellness and to build lasting support systems. Catch your teen up academically and emotionally so that fall is filled with promise.

During this webinar, experts from Newport Academy will help you:

- Learn effective ways to help your teen
- Identify mental health treatment options
- Give your students the tools they'll need to thrive in the following school year
